

EMR is a global leader in metal recycling employing 4500 staff across 170 locations around the world. We have an unrivalled logistics capability, underpinned by a vast fleet of dedicated vehicles and advanced computer planning/ tracking systems. Our busy Transport division is a high profile and varied working environment, pivotal to the success of our business.

**Driver (Cat C)**

Our busy depot in Darlaston is now looking to recruit Class 2 Drivers to undertake work throughout the Midlands area. EMR has a network of sites and customers, but drivers will only be expected to work locally and will always return to the Darlaston Depot.

You will be guaranteed a 45 hour working week Mon-Fri with O/T and Saturday hours available.

**The Person Spec:**

It is essential all our transport staff are appropriately licensed, safety conscious and have a good appreciation of our unique working environment. Applicants should be customer focused and good communicators as they will interact with a wide range of internal and external staff. Our transport requirements vary from day to day and no job is the same; so if you enjoy working in a thriving environment with a market leader, then please get in touch.

**Application:**

Please apply to [recruitment@emrgroup.com](mailto:recruitment@emrgroup.com) with an up to date CV and details of your current salary. Alternatively an application form can be requested by contacting the same Email address.

***Our employees have helped build the organisation into the world leading recycling company it is today.***
