

Who are we?

European Metal Recycling is a global leader in metal recycling employing 4500 staff across 170 locations around the world. EMR's recycling process begins with the collection of scrap metal from businesses, manufacturers, construction sites, government bodies and the general public. With growth in the UK soaring, this is very exciting time to be joining us.

We rely on our depot and operational teams for continued growth and success. They are the first stage in the process. Their daily activities are supported by our advanced systems which ensure accurate tracking and security for the wide variety of materials received.

Who are we looking for?

We are looking for a Site Operative with Weighbridge experience to cover a broad range of tasks at our busy Newhaven Depot.

What you will be doing:

- Actively participate in our strong safety culture
- Ensure the company Health & Safety and environmental policies are strictly adhered to
- Conduct daily checks on mobile plant and report problems accordingly
- Safely operate and be willing to learn the operation of various items of mobile plant on site
- Monitor all visiting suppliers – including PPE compliance
- Thoroughly grading and weighing incoming materials to ensure quality is maintained
- Accurately administrate, record and organise vehicles entering/exiting the depot
- Managing relations with the General Public as well as our long standing clients
- Assist depot management as required.

Do you have the skills?

EMR is looking for an individual with a strong customer focus who can professionally and confidently interact with customers. It is essential that all of our staff are safety conscious and have a good appreciation/awareness of our unique working environment. Applicants should be organised, physically fit and motivated individuals who can work to deadlines and be prepared to adapt according to business priorities.

Candidates should have the ability to stay calm under pressure whilst operating safely and efficiently in a dynamic environment. Due to working hours, you must live within reasonable travelling distance of the depot

Previous experience in the Metals sector is not essential, and applicants from a similar industry such as waste, aggregates, recycling or depot/yard environments would be well suited. Experience of operating Mobile Plant would be preferred although not a necessity. Please note that candidates will be working outside and Saturday mornings will be required on a rota basis.

Opportunities to develop are available to the successful candidate.

Please note, as this role involves handling cash, a basic disclosure Financial and DBS check will be required, at the employers' expense.

Application:

Please apply to recruitment@emrgroup.com with an up to date CV and details of your current salary. Alternatively an application form can be requested by contacting the same Email address.

Our employees have helped build the organisation into the world leading recycling company it is today.
