

EMR is a global leader in metal recycling employing 4500 staff across 170 locations around the world. We have an unrivalled logistics capability, underpinned by a fleet of dedicated vehicles and planning / tracking systems. Our busy Transport Division is a high profile, varied working environment and pivotal to the success of our business.

Transport Manager

In this position, you'll have the chance to help shape a determined team within a fast-paced and progressive environment.

Based in Manchester, the Salford Depot is one of our largest and you will be responsible for transport operations throughout the North West. Specifically, you'll oversee transport staff, drivers and vehicles, ensuring that all haulage activities are carried out in an efficient and timely manner. A major focus of your role will be to deliver excellent customer service, leading by example and ensuring all customers have a great experience with the company.

Promoting a strong H&S culture, you'll also motivate your team and encourage feedback, creativity and new ideas. You'll plan, organise and manage employees' workloads to maximise productivity.

You will also be expected to carefully analyse expenditure and finance information, developing appropriate plans, policies and budgets to reduce costs. Additionally, you'll liaise with Fleet Engineering to ensure cost-effective servicing and repairs.

As part of your role, you'll be required to travel within the UK.

The Person

To be considered, you must have:

- Previous general transport management experience
- Experience of managing a team of transport staff and vehicles across several sites
- A proven track record of ensuring cost effective purchasing and monitoring of spend
- A standard national or international Certificate of Professional Competence (CPC)
- Strong leadership skills

As the Transport Manager, you will have excellent problem-solving and team building skills, along with methodical and analytical approach to Planning. Experience of routing vehicles within the North West would be beneficial although not essential.

Previous safety training, such as a NEBOSH certificate is advantageous, as is a valid LGV Class C or C+E licence. Knowledge or a qualification in Vehicle Maintenance would be of interest although not essential.

PLEASE NOTE: This role does include working Saturday Mornings.

Application:

Please apply to recruitment@emrgroup.com with an up to date CV and details of your current salary. Alternatively an application form can be requested by contacting the same Email address.

Our employees have helped build the organisation into the world leading recycling company it is today.
